2. A lease may be granted for a term of five years, subject to the conditions that the lessee shall hold a licence in good standing for the water to be stored, that he shall use the land for the purposes mentioned in the lease, that he shall make beneficial use of the stored water in accordance with the terms of the licence, and that he shall comply in all respects with the provisions of "The Irrigation Act." The applicant for a right-of-way will be allowed to take the twenty feet strip on whichever side he prefers, and to change it from one side to the other when necessary to give a good road: Provided that a greater width may be granted, not exceeding ten acres in all, when such shall be shown to be necessary for the effective operation of the irrigation system.
